Old Lyme Children’s Learning Center Contingency Plan Form

In case of a serious emergency, or a serious weather-related incident, the Center may be forced to evacuate within a thirty-minute window to ensure the safety of our staff and student population. In most cases, it will be due to weather-related circumstances; however, there could be times when it is a more serious incident that might require the immediate evacuation of the Center and/or School Age Program. If and when we need to activate contingency plans, we need this information up-to-date and on file, but most importantly, we need to know that you have a plan to pick up your child before this thirty-minute window expires. If you personally cannot get to your child within this time frame, we require that you have a family member or friend take on this responsibility. Please take some time to think about your contingency plan carefully before filling out this form. As much as we hate to think about things such as these-it is always important to be prepared at all costs. This form is a required part of the registration process of our Center.

Thank you for your support and understanding,

-The Old Lyme Children’s Learning Center Board of Directors

OLCLC Child Behavior Policy

We believe strongly in positive methods of discipline. These methods encourage and promote self-control, self-esteem and cooperation. No physical means of discipline are used at any time. When possible, a child is re-directed to deal with unacceptable behavior. Every reasonable attempt is made to communicate to the child what they need to do, and what is acceptable. At times, a child may be removed from the area and asked to “take some space”. This allows the child to have a chance to re-group. Before rejoining the group, the teacher will discuss the unacceptable behavior with the child in order to make better choices in the future. All children have difficult times and should be allowed their own space if needed. At times, the Director or head teacher may have them sit in another space (supervised) to reduce the outside stimulation. Many children can become aggressive or stressed out when over-stimulated and the office is a quiet space for them. Policies strictly forbid the use of abusive, neglectful, corporal, humiliating or frightening punishment. Any staff member suspecting abuse is required to report it immediately to the Director. If a staff member is suspected of abuse, s/he will be put on immediate suspension and the Board of Directors will be notified. Upon completion, a report will be made to the parties involved, and appropriate action will be taken. In cases where a child’s behavior becomes chronic or a danger to other children (i.e. physical behavior/chronic biting), the Director will be notified and a conference will take place between the Head Teacher, Director and parent to determine the best course of action for the child.

OLCLC BAASP Bathroom Policy

We operate our Before and After School Care Program out of the cafeteria in Center School. Therefore, there is not a bathroom directly in the cafeteria. The bathrooms that the students use across the hall from the cafeteria. Students need to ask an adult to use the bathroom. There is only one student allowed in the bathroom at a time. The adult must stand immediately outside the bathroom door. After a couple minutes the adult will call into the bathroom to check on the student. We understand that pre-school age students may need help in the bathroom at times. A staff member will help a student in the bathroom if they ask for it. That staff member will let the parent or guardian know that they assisted their child in the bathroom that day.

Please review this policy and sign the bottom portion to identify that you have read the policy and give it back to a staff member so that we can keep a copy on file.

OLCLC Inclement Weather Policy (As voted on by the OLCLC Board of Directors)

OLCLC will continue to follow the Region 18 (Lyme/Old Lyme School District) Inclement Weather Policy and the OLCLC will base all operating status decisions (during the winter months) on Region 18's decisions.

In the rare instance that there is a hurricane, flooding, loss of electricity/heat; OLCLC will base its operating status decisions on the safety of the building as well as the ability to staff accordingly.

*Your child's Head Teacher will also email families to let them know of the operating status and you will receive a text message via ProCare (you must sign up for this to receive messages).

*If, in the case of Region 18 closing due to other weather patterns (i.e. hurricane), OLCLC will determine operating status on a case by case basis.

*Extended Closing (Pandemic/Inclement Weather) Fee Adjustment: Your child's safety is our primary concern when making decisions regarding closings/delays, so we greatly appreciate your cooperation and understanding with this policy. If, in the rare occurrence, OLCLC should be closed for over five days (related to inclement weather/pandemic), **there will be no refunds for closures, as voted on by the OLCLC Board of Directors on June 22nd, 2020.**
